## Book Tip Sheet

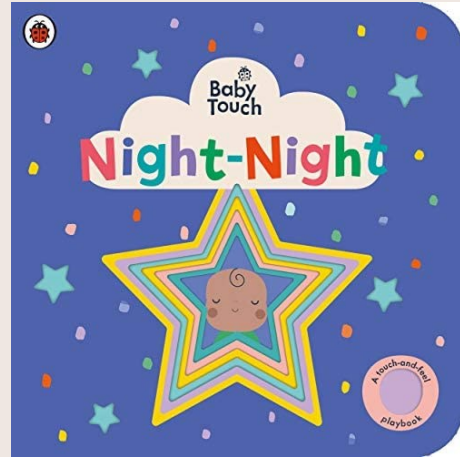

Book Tip Sheet proudly supported by:

### ***Baby Touch: Night-Night***

#### ***Ladybird***

Join us saying good night to the garden, vehicles and animals in the story. You and your child can enjoy touching, reading and recognising the characters on each page.

### **BEFORE READING...**

- ▶ Find a comfortable place to share the story, make sure you have a quiet space and time to explore the book. This is a great book to read before nap time or bedtime at the end of the day.
- ▶ Let your child touch and hold the book to become familiar with the feel of it. Let them practice turning the pages, helping them as needed.

### **WHILE READING...**

- ▶ Look at the pictures on each page and name the animals or vehicles. Pause and see if your child will repeat the names.
- ▶ Ask if your child can find a particular picture on the page, pause and see if your child points to the image. You could ask "where is the frog?" or "can you see the car?". There's also a red ladybird hiding on each page.

### **AFTER READING...**

- ▶ Re-read the story, try to make the sounds of the animals or vehicles, does your child copy the sounds?
- ▶ Point to and touch the star in the centre of the book, ask your child who is in the centre of the star?
- ▶ Having a routine of reading before bed can help your child settle down to sleep.
