

JoJo and Gran Gran Visit the Farm

Pat A Cake

JoJo can't wait to show Gran Gran all the animals in the farm including her favourite, Melanie. But what will happen if she can't recognise Melanie anymore?

BEFORE READING...

- ▶ Ensure you and your child are ready to read together in a quiet space.
- ▶ Discuss what you can see on the cover- who are the people? Where are they? Do you have a favourite animal? Where does it live?
- ▶ Look at the Picture Glossary before reading the story. Point to each picture and read the word underneath, or ask your child to name some.

WHILE READING...

- ▶ Pause at each page to look at the images of JoJo, Gran Gran and the animals- what kind of animals are they? Zoo animals or farm animals or water animals?
- ▶ Ask your child "Why did Melanie look so different that JoJo couldn't recognise her?"

AFTER READING...

- ▶ Discuss with your child other animals that look different as they grow. Do you have a family pet? How have they changed over time?
- ▶ Link this to the child themselves- can they see differences between themselves as a baby to how they are now? What has changed as they grew bigger?
- ▶ Use the glossary to do a picture or word search through the book.
